Join us for an
Amendment 69 Forum
Thursday, July 21 at 2pm
Atlantis Community

201 S. Cherokee St., Denver, CO 80223**

CCDC is collaborating with Atlantis Community and other community organizations to host a non-partisan forum on Amendment 69, also known as ColoradoCare. If passed, Amendment 69 would create a Medicare-like system for all of Colorado. The forum will allow individuals who are supporting the amendment (taking a Pro position), as well as those opposed to the amendment to answer disability-specific questions. We need you to come to learn about Amendment 69 and to show both sides that our vote will matter in the fall. This event is free and open to the public.
