

# DEAF MEDICAID CLIENTS—WE WANT YOU!!!

*Thanks to wisdom of the Deaf people in Larimer County, a group of us developed cards to fill out to request an interpreter. At this meeting we will give you the cards!! We will teach everyone how to use these cards to solve communication problems about getting interpreters. We will brainstorm on how to get this information to all Deaf people! Come learn about how this works! Get in on the action!!!*
