

The Arc Pikes Peak Region will be holding and promoting over the next week. We have heard from our national office that a vote on the AHCA may occur as early as June 26th. With such a short timeframe ahead of us, we need to act now! Below are the following events to be held to raise awareness and concern for this bill that will be detrimental to our community and intellectual and developmental disabilities population.

Tuesday, June 20th – BYOP (Bring Your Own Phone) @ Tim Gill Center (315 E. Costilla Street) Noon – 5p.m. VOLUNTEERS NEEDED!

We will have a phone bank so people can stop by and call Senators Cory Gardner and Michael Bennett's offices and express their opinion (we will also be signing postcards at this event – we will have supplies available for making signs)

Wednesday, June 21st – Postcard signing at arc Thrift Stores (locations TBD) 10a-3p VOLUNTEERS NEEDED!

Postcards will be mailed in bulk to Senator Gardner's and Bennett's offices

Thursday, June 22nd – 4-Corners SAVE MEDICAID RALLY – Outside Senator Gardner's Colorado Springs office at Colorado & Tejon

People need to bring their signs, families stories will be told, media will be present. Your attendance is IMPORTANT!

Friday, June 23rd – Postcard signing at arc Thrift Stores (locations TBD) 10a-3p VOLUNTEERS NEEDED!

Postcards will be mailed in bulk to Senators Gardner's and Bennett's offices

I hope that we can count on you and your staff to get involved and speak out about this bill.
